

Safeguarding

What is safeguarding?

Safeguarding is about creating a safe and welcoming environment for everyone involved, from young players to adult bowlers. It's about taking proactive steps to prevent and address any kind of harm or abuse.

Why does safeguarding apply to everybody in and around our sport?

Our National Governing Body, Bowls England, believe our sport has a wonderful community and safeguarding helps keep it that way. Safeguarding is about making sure everyone, young or old, feels safe and free from any kind of harm.

What role do our Safeguarding Officers have?

The Safeguarding Officers play a vital role in creating a safe and inclusive environment for everyone involved in the sport of bowls. A key responsibility of the Safeguarding Officers is to record and report safeguarding concerns to Bowls England. Also to cultivate a positive environment of safety and respect within the bowls community.

Who to contact if you have any concerns at or about our Bowls Club.

Please bring your safeguarding concerns to one of our Club Safeguarding Officers, they are on hand to listen. You can talk to any of them at the Club or email Julie Broadbent at nortonbcsafe@gmail.com
